Conclusion

Pieter P

In conclusion ...

Congratulations, you've reached the end of this rather long article on the basics of the ESP8266. I hope this was interesting to you, and that you'll use this knowledge for your own DIY projects.

If you have any remarks or if you want to help improve this guide, don't hesitate to <u>leave a comment</u> or to send me a message.

Thank you for reading!
Pieter, 8-3-2017
